

To the Board of Directors:

In this communique you will find 2 bids for Zone 1 for the National Specialty. There are 2 proposals - Boise, ID and Sacramento, CA. These bids are perhaps the most complete and concise bids we have seen. Both Liza Dunkle, Boise and Cindy Weiner-Robinson, Sacramento, have gone out of their way to provide you with accurate information about their planned sites.

Cindy and Liza had each furnished their contact information in their bids and invite you to contact or ask them about any concerns you might have. Darci, Sue, Martha and Roxann are also available for any questions you might have. We have all reviewed these bids carefully and find they cover everything necessary to successfully host a National Specialty.

Enjoy reading and choosing your favorite. It's not going to be an easy job - they both are very excellent bids. Thank you for your consideration and appreciation of these hard working volunteers.

Martha Ramer, Darci Brown - Co-Chairs
Sue Larson - Performance Specialist
Roxann Heit - Invitational
National Show Committee
