

Junior Showmanship Points listed are current through June 29, 2013.

For junior rankings points are tabulated from January 1st through December 31st of each current year. Familiarize yourself with the process. Please note that every effort has been made to ensure accuracy. Also note that *it is each junior's responsibility to keep accurate records of their points earned and to submit those points to the Showmanship Tabulators at each month's end. Please direct any questions or report discrepancies to these individuals.*

The year's final results will be forwarded to the CCA National Invitational Chairperson. To receive your invitation to the CCA National Invitational, you must submit your address, email and phone number to the point tabulators. **Do not wait until the end of the year to report discrepancies; keep current to the month!**
