

Attention all Exhibitors!!

We are both excited and honored to hold our specialty at the lovely Crown Plaza Louisville Airport Hotel in Louisville, Kentucky. The Crown Plaza has become a wonderful partner to both Kennel Clubs and National Specialty Clubs over the years. It is our hope that this relationship will continue for many years in the future.

Due to damages caused by exhibitors following a recent specialty that resulted in several rooms having to be totally stripped and redone our relationship with the hotel could be in jeopardy. We have been asked by the hotel to setup guidelines for all current and future exhibitors that will help make it possible for the hotel to continue to allow shows to be held on their property in the future.

To help both the hotel and our fellow exhibitors we will strictly enforce the following rules:

- ❖ Plastic must be placed under all crates. If you do not have plastic, please see the front desk.**
- ❖ Dogs may not be bathed in the hotel room bathtub.**
- ❖ Guests may not refuse cleaning service for more than 48 hours (**no exceptions to this rule.**)**
- ❖ All rooms are subject to examination by hotel staff and members of the show committee.**
- ❖ Exercise your dogs only in designated exercise areas. You are responsible for cleanup.**
- ❖ Before you check out, your room must be inspected by designated hotel staff and if**

needed a member of the show committee. To save time, schedule an appointment at the front desk.

- ❖ **Damage to the hotel rooms or grounds will be considered “impairing a clubs ability to retain a site” and will be grounds for an event hearing in accordance with AKC’s Dealing with Misconduct Regulations. This can result in event suspension from 3-6 months and fines from \$100.00 – 1,000.00**
- ❖ **Hotel guest are personally responsible for any damages to the hotel facility by their animals. Under no circumstance will the Club be held responsible or liable for any damage caused by individual guests.**
