This banquet is planned to provide a fun environment for those who participate in and/or enjoy seeing the collie in performance events, to meet and visit with other performance enthusiasts, and to celebrate the collie as a performance dog. We encourage anyone involved in breeding, showing, or simply owning a collie to join in on this unique event. This will also be an opportunity to meet, visit, and ask questions. This banquet is open to CCA members and non-members, as well as their guests.
