**Dogs Defeated** was calculated based upon The Delaney® Rating System. In Obedience, this system ranks dogs that place first through fourth. For dogs that place, one point is earned for each dog defeated in the class. For example, in a class of twenty participating dogs, the first place winner would earn 19 points, the second place dog would receive 18 points, the third place dog would earn 17 points, and the fourth place dog would earn 16 points. These points are accumulated from January 1 through December 31.

**Rally Combined** Results are calculated by adding together the Dogs Defeated for Rally Advanced B and Rally Excellent B.
