**President's Message**

Fellow board members,

This month you will be asked to approve the Standard Committee. We all think our way is right or the best way but we have to follow the AKC way. To those of you who believe the petition was cause for a revision committee – the petition happened; it just did not mean anything in terms of the Standard –as there was a Standard Committee in action that had been approved by the board to ask the same questions. It is all history as the petition was the summer of 2009. The AKC sees the report of the Standard Committee as the official report.

Three years later, we can either do what will be approved by the AKC or do nothing – your choice.

We have written a letter to the AKC. RE: AKC new rule that ½ the grooming must be free. The 2013 committee knows about the problem and will hold off as long as possible before taking reservations.

When something comes up that involves the CCA (like free grooming at national) – usually I think the CCA should send out a letter- a response or an inquiry. Other things about dog laws etc. – I have not automatically sent a CCA letter of agreement or disagreement. If the board would like it done – please get together on it.

AKC asked clubs to consider giving money to fight legislation – sounds worthy to me – any comments or am I riding this horse alone?

FOR discussion and/or vote – Sending \$'s to AKC for legislative work, supporting the Eukanuba show with a Meet the Breeds booth, medallions for the Eukanuba show, Standard committee, other committee members, motions

Merle to merle - as expected we are being talked about (so are shelties -other breeds too, I am sure)

DD's could ask what the membership thinks about merle to merle as if we have good reason to keep it; we would have ammunition for the debate if the subject is raised against us. If we don't have good reason we can get ahead of the bullet by saying we don't agree with it. Not agreeing with the practice is something we are allowed – in fact, - we can just say WE DON'T think it is a good idea. It is a step toward STANDING UP for the collie – whether we chose to not approve, ban or leave it as is, considering the issue is better than ignoring it.

Remember the Bulletin August 1st deadline.

## Secretary's Message

Congratulations!!!! Bulletin staff and all supporters of our magazine. You have done a wonderful job and I'm sure everyone will thoroughly enjoy.

With the special heat circumstances in the USA these days, I would remind to take some time and check in with your members regarding disaster such as hurricanes, flooding, fires, and loss of electricity; especially your senior members. Remember our seniors would love to hear from you! District directors please take the time to check the ones in your area. If there are special conditions or help needed, please let us know.

It is hot, hot here in Kansas without relief coming soon. Know there are others struggling in their own areas. Check with the rescue groups to see if they need assistance or make it a club activity to help them groom the animals. We have the expertise and some may not have funds, but we all can give of our time to help each other and the Collie.

Sizzling Summer,  
*Janie*

## Final Report – CCA 2012 National Specialty

Date: July 3, 2012  
To: Board of Directors  
Collie Club of America  
From: Mike Esch, Treasurer  
Ref: 2012 National Financial Report

---

The 2012 National was a wonderful and enjoyable show at a new site on the East Coast. The building and overall site was spacious with adequate grooming and parking. The addition of on-site large meeting rooms helped many of the groups who normally meet at a National. The show committee did a stunning job in providing everyone with a very nice National experience. The dogs looked great, weather was good and seeing old friends and meeting new friends was fun. The judges worked long days at their request so that the exhibitors and spectators could enjoy a single ring of judging for all four days.

The financial results demonstrate that it was a tightly run show with total profits of +\$2,958.36. The operating income and expenses were generally in line with expectations. The Conformation/Obedience/Rally events showed a profit of +\$4,133.54. The Agility and Herding events had losses of -\$1,114.39 and -\$60.79, respectively.

It was obvious the show committee put in a lot of time and effort to organize the show & support the many events during the show event. The Show Committee did a great job in welcoming everyone. The members of the host club, Keystone Collie Club, really pitched in and worked those long hours that make everything work behind the scenes and yet is most unappreciated by many. In particular, I wanted to call out Lori Montero and thank her for fighting the building PA system which was the largest distraction for the show.

Upon acceptance of the show financials by the Board, I will be sending the Keystone Collie Club their 25% share of the profits per Show Rules.

Regards,  
*Mike*

## Request for Software for the Yearbook Staff

"The Yearbook would like to purchase two Adobe products for use by multiple users that will make putting the yearbook together much easier. The Yearbook runs into many problems with products: we need two versions (one for Mac and one for PC), must be able to be downloaded by multiple users, and must aid us for many years.

After extensive research about what would be the best buy for our money, I came across Adobe's new small business products: instead of paying close to \$1300 for one version of Photoshop, and \$699 for one version of InDesign (we would need two versions for both of these), we can now purchase for a total of \$1398 Photoshop and InDesign available on both platforms (PC & Mac) for use on up to 99 machines. This is available through Adobe's Transactional Licensing Program (TLP):

[http://www.adobe.com/aboutadobe/volumelicensing/pdfs/tlp\\_5\\_program\\_overview.pdf](http://www.adobe.com/aboutadobe/volumelicensing/pdfs/tlp_5_program_overview.pdf).

Yearbook members or members of other committees could log on to Adobe, select their platform, plug in our information and simply select "download." 20 minutes later they have Photoshop and InDesign for use by their committees.

These products *could* be used by any CCA committee that has anything in print from pamphlets to books to calendars. InDesign is one of the easiest products to learn and use, and has not changed much over the last 10 years."

## Yearbook Staff - 2012

### Judy Cummings - Obedience Stats

I have been a CCA member since 1980, when I began competing with my collies. I have shown them in conformation, obedience, agility, tracking, and herding; participated with two of them in major competitions: 1998 Puperoni Western Regional Obedience Tournament & the 2006 AKC National Obedience Invitational. I served on the CCA Obedience Committee when Carol Knock was Chairperson, and wrote the obedience chapter for the CCA publication, The Many Faces of the Versatile Collie. I wrote obedience articles for Collie Expressions from 1992 through 2008, and have supplied the monthly obedience statistics for that magazine since 1993 and continue to do so today; I have occasionally contributed articles to the CCA Bulletin. I have produced the annual obedience statistics for the CCA Yearbook, beginning with the 1994 publication; as far as I know, no one else compiles these figures for the collie. I am currently Secretary for the American Working Collie Association and have been newsletter editor for its publication, Collie Connection, since 1998. Lastly, I have taught advanced obedience classes for all breeds for the last 15 years.

### Jim and Judy Smotrel – Titles & Certificates

### Les Hutchins -Stats

When Bob Hawkins decided to retire from calculating the Hawkins System Bob granted me sole proprietorship in order that I could continue the Hawkins System starting in 2004. For representative sample of what I have been doing simply open the 2010 yearbook pp. 162-179 and pp. 231-354. This format is being used in the results for the 2011, 2009 and 2008 yearbooks and probably by the time anyone sees this Michelle will have already distributed the 2011 Yearbook.

Katie Skilton – Theme Hello everyone, This will be my second year working on your yearbook. This is a fun and exciting opportunity for me. Not only do I get to use my creativity, but I get to learn so much about our breed and breeders.

I am twenty four and live in mentor Ohio. I have had collies in my life for over twenty years. Throughout this time I have been involved with conformation, obedience, junior handling as well as being involved with my local club and the CCA. I have gained knowledge through local mentors and being involved with my mom and building our kennel Alexy.

Hope everyone enjoys this yearbook as much as I did!

**# 1 06/06/12 – Made by Nadine Beckwith-Olson and seconded by Jackie Caruso.**

I would like to make a motion to discontinue the breeder of the year award based on the current criteria of number of champions produced in the calendar year.

I second the following motion made by Nadine Beckwith-Olson: I also agree that we will need a committee to come up with criteria for a breeder award / award of excellence that does not necessarily need to be an annual award.

*This motion was not brought forward due to time restraints.*

**#2 06/23/12 – Made by Donna Walle and seconded by Emily Berkley.**

I move that the Collie Club of America send a letter on behalf of its membership, commenting on the proposed APHIS regulation of dog breeders. Please note that the comment period ends July 16, so a letter should be sent prior to that date. I second this motion **EB**
