We have both been involved in the Collie breed twenty plus years and through our years we have created a successful breeding program while producing several National winners. We are members of the Collie Club of America, the Central Kansas Collie Club, the Central Oklahoma Collie Club and the Wichita Kennel Club.

In chairing many committees we realize the importance of staying within a budget through planning and implementation. As a Co-Chair and Committee Chair(s) we are dedicated to responsibly plan and organize every aspect in relation to the National Specialty Show.

We are involved in each of our local clubs participating in planning the annual specialty shows. Within the local Kansas Collie Club we have served in every office and aspect of the club. I have been the Show Chair since 1999 organizing and coordinating the annual specialty shows. We have both served as and on Committees for the National Specialty show chairing the Grooming in 2005 and 2010 in Oklahoma while assisting CCA 2000 in Wichita, Kansas. Together we have chaired and organized the Top Twenty Invitational a number of years. We look forward to chairing the above listed committees as well as co-chairing the CCA 2015 National Specialty.
