WHY SHOW A COLLIE?

COLLIES ARE:
• Smart
• Easy to train
• Love to make you happy
• Loyal
• Beautiful
• Heroic

WELCOME STATEMENT

The CCA welcomes you to the fun and excitement of owning a collie! You’ll soon find out what we know – COLLIES ARE COOL! Collies are funny and love to play, but they need your help to be their best. Along with the fun of owning a collie, comes the responsibility.

As a Junior Member of the CCA, you’ll learn to groom and train your collie and yourself. CCA juniors can also help you learn how to be a good sport if you decide to compete. Your collie doesn’t know much about winning and losing, so it’s up to you to be kind and polite when you win AND when you lose. Win or lose - COLLIES ARE COOL!
