The Midwest Collie Connection (zone 3) regrets that we will not be able to pull together a bid for the 2022 National at this time. With so much time devoted to hosting the 2019 National, we just did not have the time to reorganize for 2022 this quickly. We would very much like to have everyone back to Peoria again, and the Peoria Civic Center, the Marriott Pere Marquette and the City of Peoria are looking forward to having us back! So, when the bid comes around to us again.....we will be ready!

The President asked the secretary for a roll call and if there was a quorum present and the answer was, yes. The Secretary announced that an election had been held to fill the vacancy of MA Director Annette Rawlings as she is now the new 2nd VP. The new director for MA is Dan Cardoza and his position for DAL will now be up for announcement and vote to complete the term.

The President asked if there were members asking to speak and the secretary said "yes". Mike Esch had asked to speak on concerns to be addresses prior to vote on sending the Constitution to the AKC. Also, Judy Guthrie, Communications Chair has asked to speak on a new honor for the Collie Club of America NEWS program from our provider, Constant Contact.

Mike Esch addressed the Board on the reasoning of voting to send the Constitution Revisions to the AKC for their input, but reiterated that this is not our final issue of the Constitution as feel they would like the input from the AKC and then will be brought back to committee for review and changes as long as those are compliant with NY Not for profit law.

Judy Guthrie spoke to the Board about the rewarding program and honoring of our success for this past year with the Collie Club of America NEWS issues from Constant Contact advertising program. With the honor it was made clear we would also be enjoying some new “perks” with the program.

The President then proceeded to call for a vote of those items on our present ballot. She began with the reading of the first item up for vote which was the approval of the minutes from our last meeting on February 21, 2019. She then asked the secretary to read the first item up for vote.

We thanked them for their hard work with a round of applause.

Then the President asked the officers and district directors to introduce themselves to the membership in attendance. She asked if there was a quorum and the secretary stated, "No".

I have only known Johna through Facebook and speaking with her at shows, but she is very eager to learn and seems to take very good care of her Collie, Tucker, whom she got from Marie Markovich. I spent the day with her this past Saturday at a Match and she is a lovely person.

Occupation Nurse educator

Why do you want to be a member of the CCA? To learn more about the breed & showing my collie as a professional. To protect the breed and further the integrity to the best of my abilities.

Explain what and/or who got you started in Collies: I love the breed because of Lassie. She was a most heroic figure. One of the

greatest any child could want to emulate. For this reason and others, I became a nurse, and now I teach nurses.

As a child I wanted to save the world--like Lassie. Unfortunately today, collies are not as popular as other breeds. Some of those breeds that have been overbred and are aggressive. To combat this, I would like to work to push the collie forward again. That is why I would like to belong to the Collie Club of America. It is my desire to work to better the breed in every way that I can.

I purchased a beautiful collie, and now, I would like to join your club to benefit the breed. I have started taking him, "Tucker" to conformation classes and shows. Hopefully I can get him finished so that I can breed him. He is an exceptional dog and I would like to carry on his line. I will start exploring the agility and therapy avenues for collies when I have some puppies of my own to work with and train.

Sponsor: Ruth Ann Hanson (SD) Has known applicant for how long & under what circumstances? Courtney Lundin, myself, and many other students participated in a 6-week conformation class with the Sioux Empire Kennel Club where we worked with our dogs training conformation show concepts. In addition, I saw Courtney beginning an additional 6-week conformation class period and during this time I was unable to attend all classes. Courtney also came to the Sioux Empire Kennel Club All-Breed show to watch the collies, ask questions, and see different collie enthusiasts prepare their dogs. In addition, while Ross and I were visiting Cheviot Collies, Courtney was learning how to tape collie ears, which is something all of us have had to learn as we take the journey of learning more about collies. During all instances where I was around Courtney, I saw a young lady who was patient, respectful, and trying to learn more about the collie. This time period of knowing Courtney would be approximately 2-months.
